

Brooklyn House Dental Surgery

NEWSLETTER

Dr. Louis Minnaar B.Ch.D. (Pret) 1975, joined us in September 06 as replacement for Mr. Van Zijl.

This has given us the capacity to accept more patients on a private basis.

Dr Minnaar is an experienced practitioner who has been working in Guernsey for the past three years and prior to that in Peterborough. We at the practice have found him to be a very friendly, caring and gentle individual and those of you who have been to see him would agree that he is extremely competent and thorough in his treatment, a bit of a perfectionist.

Dr Minnaar has brought with him some much needed expertise allowing us now to have a much needed private orthodontic treatment (teeth straightening) capability, within the practice.

With it being increasingly difficult to get NHS orthodontic treatment, this has been a huge help.

Services

We continue to treat our existing children (under 18's) and patients that are receiving a current exemption from Dental Payment i.e. Tax Credit/ Income Support/Income Based Jobseekers Allowance/HC Certificates, under our NHS contract.

In addition to **Private Orthodontics**, we have also recently opened our **Whitening Studio**, should you wish to have your teeth professionally whitened.

We are also very proud to now offer an **Implant Service** at the surgery, both surgical and restorative procedures carried out here. Several patients having been provided with successful implants already, and at a very reasonable cost.

Staff Announcements

On a personal front may we congratulate:-

- ☺ Sharon on successfully completing her Radiology course for Dental Nurses.
- ☺ Jackie and Sharon for completing their Management training in Cambridge.
- ☺ Hayley with the birth of her and Marc's baby girl, Darcy.
- ☺ Lizette and Stephan with the birth of their son, Charl.
- ☺ Good luck to Natalie and Helen on sitting their final exams later in the year. Also to Diane on her Sterilisation and Disinfection course.
- ☺ A warm welcome to Petro (receptionist), Louise (Dental Nurse and Oral Health Advisor)
- ☺ And Robert Maclure(Locum Dentist—looking after Lizette's patients)
